

**KEEPING OUR
COMMUNITIES SAFE
KEEPS US TOGETHER**

Our COVID-19 (coronavirus) Public Health team will be visiting your neighborhood soon.

We'll be talking to you about:

- Important ways to stay safe and the support available to you from the Victorian Government.
- Free local testing for COVID-19 (coronavirus).

To keep your family, friends and community safe you must:

- Keep your distance from people you don't live with - no handshakes, hugs or kisses.
- Wash your hands regularly.
- Have no more than 5 visitors at your home.
- Not meet in groups of more than 10 outside the home.
- If you have been tested for coronavirus, stay home until you have your results.

**STAYING
APART KEEPS
US TOGETHER**
