(2) If there is any inconsistency between these directions and a direction or other requirement contained in a Direction and Detention Notice, these directions are inoperative to the extent of the inconsistency.

9 Definitions

For the purposes of these directions:

(1) authorised celebrant has the same meaning as in the Marriage Act 1961 of the Commonwealth;

(2) density quotient limits the members of the public that are permitted in a space at any one time to the number calculated by dividing the total publicly accessible space (measured in square metres) by 4 and:

(a) for an indoor space applies to each single undivided area; and

(b) for an enclosed outdoor space applies to the total area;
Example: if a publicly accessible space is 8.5 metres long and 4.5 metres wide, its total area is 38.25 square metres. Its density quotient is 9.56, so no more than 9 members of the public would be permitted to be in the area at the same time.

Note: the density quotient, also referred to as the '4 metre square rule', is to be calculated by measuring the area which the members of the public can access, such as the table area in a restaurant, but not the food preparation area or in a store room.

(3) Direction and Detention Notice means a notice given to a person requiring the person to be detained for a specified period;

(4) Directions currently in force means the Restricted Activity Directions (No 14), the Restricted Activity Directions (Restricted Areas) (No 3), the Stay at Home Directions (Restricted Areas) (No 4), the Area Directions (No 4), the Diagnosed Persons and Close Contacts Directions (No 7), the Hospital Visitor Directions (No 9) and the Care Facilities Directions (No 8);

(5) enclosed outdoor space means an outdoor space (or part of an outdoor space) that is substantially enclosed by either a roof or walls, regardless of whether the roof or walls or any part of them are open or closed;

(6) higher education services means university, vocational education and training, technical and further education (TAFE), adult community and further education, and other post-compulsory education and training;

(7) indoor space means an area, room or premises that is or are substantially enclosed by a roof and walls, regardless of whether the roof or walls or any part of them are open or closed;

(8) members of the public means a person but does not include:
   (a) a person who is an employee of an operator of the facility or venue; or
   (b) any other person who attends the facility or venue that is reasonably necessary for providing a service at the facility or venue;

(9) outdoor space means a space that is not an indoor space;

(10) premises means:
   (a) a building, or part of a building; and
   (b) any land on which the building is located, other than land that is available for communal use;

(11) Restricted Area has the same meaning as in the Area Directions (No 4);

(12) stay safe period has the meaning in clause 4.
