Help keep yourself, your friends and family safe

- **Get tested** if you have symptoms of coronavirus (COVID-19). After getting tested, you need to stay home until you have your test result.
- **Practise good hand hygiene.** Wash your hands regularly and cough and sneeze into a tissue or your elbow.
- **Keep your distance.** Stay 1.5 metres away from anyone you don't live with.
- **Wear a face covering** whenever you leave home.

For more information on coronavirus (COVID-19) visit the Department of Health and Human Services website – www.dhhs.vic.gov.au/coronavirus or call the coronavirus hotline on 1800 675 398 (24 hours). If you need an interpreter, call TIS National on 131 450.
