19 Restricted area requirement

- (1) A person who is required to comply with the restricted area requirement must use all reasonable endeavours to:
- (a) determine, as soon as practicable after each member of the public makes a booking (where bookings are taken) for, or accessing, entering or using, their services or facility, whether that member of the public's ordinary place of residence is in the Restricted Area; and
 - (b) not permit a member of the public to make a booking (where bookings are taken) for, or access, enter or use, their services or facility, if the member of the public's ordinary place of residence is in the Restricted Area, except:

 - (b) an accommodation facility is not required to comply with the restricted area requirement when (and only to the extent) they operate that facility under clause 13(6).
- (2) A person will be taken to have satisfied the requirement under subclause (1)(a) where they have:

*Note 1: under the **Stay Safe Directions (Non-Melbourne) (No 6)**, if a person has an ordinary place of residence in each of the Relevant Area*

and the Restricted Area, they must choose one of these residences to be their principal place of residence for the duration of those directions.

*Note 2: under the **Stay Safe Directions (Melbourne)**, a person who ordinarily resides in the Restricted Area may only leave the Restricted Area for limited reasons. - (ii) make a declaration that their ordinary place of residence is not in the Restricted Area, unless it is not reasonably practicable in all the circumstances for the member of the public to make such a declaration.

Note: it may not be reasonably practicable for a member of the public to make a declaration due to a physical or mental health condition or disability.

Note 2: a template declaration as to a person's ordinary place of residence is available at <https://www.dhhs.vic.gov.au/restricted-area-requirement-declaration-covid-19>.

- (5) In collecting the information required under subclause (2), a person required to comply with the restricted area requirement must:
- (a) use reasonable endeavours to protect the personal information from use or disclosure; and

- (b) destroy the information as soon as reasonably practicable, unless another statutory requirement permits or requires the personal information to be retained.

Note 1: under this clause, 'reasonable endeavours' does not require a business or undertaking to employ additional staff to meet this requirement.

Example: for online bookings and unstaffed facilities (or times when facilities are unstaffed), reasonable endeavours does not require extra staff to be employed for these purposes; instead the restricted area requirement might be met by other means such as enquiries at or after the time of booking, online or email provision of the required information and signs at the unstaffed facilities.

Note 2: members of the public whose ordinary place of residence is in a Restricted Area are still permitted to travel outside of the Restricted Area for reasons set out in the Stay Safe Directions (Melbourne).

*Example: a person can travel to an area outside of a Restricted Area for work (such as delivering food to a food and drink facility) or education, or for care or compassionate reasons (such as visiting their child).
