Directions from Chief Health Officer in accordance with emergency powers arising from declared state of emergency

Care Facilities Directions (No 18)

Public Health and Wellbeing Act 2008 (Vic)

Section 200

I, Adjunct Clinical Professor Brett Sutton, Chief Health Officer, consider it reasonably necessary to eliminate or reduce the risk to public health—and reasonably necessary to protect public health—to give the following directions pursuant to sections 200(1)(b) and (d) of the Public Health and Wellbeing Act 2008 (Vic) (PHW Act):

1 Preamble

(1) The purpose of these directions is to make provision for restricted access to care facilities in order to limit the spread of severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) within a particularly vulnerable population, balancing the need to limit the spread of SARS-CoV-2 against the broader responsibilities of care facilities to the physical, emotional and psychological wellbeing of their clients.

(2) These directions replace the Care Facilities Directions (No 17) and remove the limitations on the purpose, number and time limits for visitors to care facilities.

2 Citation

(1) These directions may be referred to as the Care Facilities Directions (No 18).

(2) A reference in any other direction to the Care Facilities Directions (No 17) is taken to be a reference to these directions.

3 Revocation

The Care Facilities Directions (No 17) are revoked at 11:59:00pm on 6 December 2020.
