PART 2 — STAY AT HOME

5 Direction — staying at home other than in specified circumstances

Requirement to stay at home

(1) A person who ordinarily resides in the State of Victoria during the stay at home period must not leave the premises where the person ordinarily resides, other than for one or more of the reasons specified in:

(a) clause 6 (necessary goods or services);
(b) clause 7 (care or other compassionate reasons);
(c) clause 8 (work or education);
(d) clause 9 (exercise);
(e) clause 10 (other specified reasons); or

Note 1: a person may have more than one ordinary place of residence but is only permitted to move between those places in accordance with subclause (9).

Note 2: when leaving home in accordance with law a person must take all reasonable steps to comply with the obligations in these and all other Directions currently in force.

(2) When leaving their premises, a person:

(a) must comply with the face covering requirements in subclauses (15), (16), (17) and (19); and
(b) must comply with the restrictions on gatherings in clause 11 (gatherings); and
(c) must comply with the Directions currently in force, including (without limitation) by:

(i) not engaging in an activity that is prohibited under the Restricted Activity Directions (Victoria); and
(ii) only engaging in an activity permitted under the Restricted Activity Directions (Victoria) in accordance with any requirements set out in those directions.

Note 1: a person should take reasonable steps to maintain a distance of 1.5 metres from all other persons (except those people with whom they ordinarily reside) when leaving their premises, and should practise hand hygiene in accordance with the Department of Health’s guidelines as amended from time to time by the Victorian government, available at: https://www.coronavirus.vic.gov.au/hygiene-physical-distancing.

Note 2: if a person experiences a temperature higher than 37.5°C or symptoms of respiratory infection, they are strongly encouraged to get a test for SARS-CoV-2 and remain at their ordinary place of residence until they obtain their test result. If they are diagnosed with SARS-CoV-2, they must self-isolate in accordance with the Diagnosed Persons and Close Contacts Directions.

Travel restrictions
(3) A person may only leave their premises under subclause (1) where it does not involve unreasonable travel or travelling to a place for an unreasonable period of time.

Note: people who are in an intimate personal relationship or who are a nominee person and a nominated person may stay overnight at each other’s premises provided they otherwise comply with these directions.

(4) A person must not travel in a vehicle with another person with whom they do not ordinarily reside unless it is not otherwise reasonably practicable for either person to leave their premises for a purpose permitted under these directions.

Example: a person who does not hold a driver’s licence may travel in a vehicle with another person with whom they do not ordinarily reside for the purposes of attending a medical appointment (including a vaccination) or doing their grocery shopping if it is not reasonably practicable for them to travel another way.

(5) A person who leaves their premises under either clause 6 (necessary goods or services) or clause 9 (exercise) must not:

Note: a person may leave their premises once per day under clause 6 (necessary goods or services) and separately once per day under clause 9 (exercise), but should seek to minimise separate trips as much as possible.

(a) travel further than 5km from:
   (i) their premises; or
   (ii) in the case of clause 9 (exercise), their work premises if they are an authorised worker or work for an authorised provider, provided that they only exercise outdoors and do not enter any facility open under the Restricted Activity Directions (Victoria); or
   (b) do so more than once per day; or
   (c) do so for a period longer than 2 hours in the case of exercise.

(6) Where a person leaves their premises under clause 6 (necessary goods or services):

(a) subclause (5)(b) does not apply if the person leaves the premises to obtain goods or services provided by a:
   (i) financial institution under clause 6(1)(c)(i); or
   (ii) government body or government agency under clause 6(1)(c)(ii); and

(b) subclause (5) does not apply if:
   (i) the person leaves the premises to obtain goods or services for health or medical purposes (including vaccinations) under clause 6(1)(b); or
(ii) as a consequence of the requirements in that subclause, it is not reasonably practicable for the person to obtain necessary goods or services.

Note 1: if the closest necessary goods or services are more than 5km from a person’s ordinary place of residence, then it would not be reasonably practicable for that person to obtain goods and services within the travel limits imposed by subclause (5).

Note 2: where subparagraph (b) applies, the person must not travel any further than is reasonably necessary to obtain necessary goods or services.

(7) Only one person from a given residence per day may leave the premises under clause 6 \textit{(necessary goods or services)}, except where:

   (i) age, infirmity, disability, illness or a chronic health condition; or
   (ii) matters relating to the person’s health (including mental health or pregnancy).

(a) the person is using it by themselves; or

(b) the person is using it with another person with whom they ordinarily reside in accordance with these directions,

and it is not otherwise reasonably practicable for the person to undertake exercise without using a vehicle.

\textit{Note: if a person needs to access an area within 5km of their premises for exercise, but can only do so due to mobility (such as a parent with a young child or a person with disability) or safety reasons (such as needing to exercise in an area with greater passive surveillance) by using a vehicle with another person with whom they do not live, then it would not be reasonably practicable for that person to undertake exercise without sharing a vehicle to do so.}

\textit{Principal place of residence}
(9) If a person has more than one ordinary place of residence, their place of residence as at 11:59:00pm on 27 May 2021 must remain their principal place of residence for the duration of the stay at home period. (13) If a person’s ordinary place of residence is outside the State of Victoria, the premises where that person is temporarily residing in the State of Victoria during the stay at home period (or part thereof) is taken to be the person’s ordinary place of residence for the period (or part thereof).
