

Directions from Acting Chief Health Officer in accordance with emergency powers arising from declared state of emergency

Workplace (Additional Industry Obligations) Directions (No 33)

Public Health and Wellbeing Act 2008 (Vic)

Section 200

I, Dr Clare Looker, Acting Chief Health Officer, consider it reasonably necessary to eliminate or reduce the risk to public health—and reasonably necessary to protect public health—to give the following directions pursuant to section 200(1)(d) of the **Public Health and Wellbeing Act 2008 (Vic) (PHW Act)**:

1 Preamble

- (1) The presence of a person with a positive diagnosis of Novel Coronavirus 2019 (**SARS-CoV-2**) at a **Work Premises** is considered to pose an immediate risk of transmission to persons who attend, or may attend, the Work Premises.
- (2) The purpose of these directions is to establish additional specific obligations on **employers** and **workers** in specific industries in relation to managing the risk associated with SARS-CoV-2.
- (3) These directions must be read together with the **Directions currently in force**.
- (4) These directions are intended to supplement any obligations an employer may have under the **OHS Act** and the **Workplace Directions** and are not intended to derogate from any such obligations.
- (5) These directions replace the **Workplace (Additional Industry Obligations) Directions (No 32)**.

2 Citation

These directions may be referred to as the **Workplace (Additional Industry Obligations) Directions (No 33)**.

3 Revocation

The **Workplace (Additional Industry Obligations) Directions (No 32)** are revoked at 11:59:00pm on 15 July 2021.

4 Commencement

These directions commence 11:59:00pm on 15 July 2021 and end at 11:59:00pm on 29 July 2021.

5 Application of directions to certain employers and roles

- (1) These directions apply to **Additional Obligation Industries**, namely:
 - (a) **poultry processing facilities**;
 - (b) **abattoirs and meat processing facilities**;
 - (c) **seafood processing facilities**;
 - (d) **supermarket Work Premises** and **perishable food Work Premises**;
 - (e) warehousing and distribution centres;
 - (f) **commercial cleaning services**;
 - (g) **commercial passenger vehicle services**;
 - (h) horticulture operations using **seasonal workers** for **seasonal horticultural work**;
 - (i) **care facilities**;
 - (j) **ports of entry** servicing international arrivals;
 - (k) **hotel quarantine**;
 - (l) **hospitals**; and
 - (m) **Australian air transport operators**.
- (2) These directions apply to Additional Obligation Industries Work Premises that are located:
 - (a) in relation to supermarket Work Premises and perishable food Work Premises, and warehousing and distribution centres, in **Metropolitan Melbourne**; and
 - (b) in relation to all other Additional Obligation Industries not referred to in subclause (2)(a), anywhere in Victoria.

6 General Obligations

- (1) This clause 6 does not apply to care facilities, hospitals (except for **high-risk hospital Work Premises**, to which the clause does apply) and Australian air transport operators.

Note: the exception of care facilities, hospitals (except for high-risk hospital Work Premises) and Australian air transport operators from the requirements in clause 6 does not exempt care facilities from satisfying equivalent requirements imposed under other regulatory arrangements.

Compliance

- (2) An **Authorised Officer** or **inspector** (or their nominated representative) may conduct:
 - (a) an inspection of a Work Premises; or
 - (b) an inspection or audit of the records of an employer, to assess an employer's compliance with these directions.

Consultation

- (3) An employer in relation to an Additional Obligation Industry Work Premises must, to the extent **reasonably practicable**, consult with health and safety representatives, together with workers who are, or are likely to be, directly affected:
- (a) to identify or assess risks to health or safety at a workplace; and
 - (b) to make decisions about the measures to be taken to control risks to health and safety; and
 - (c) to determine if any risk identified under subclause (a) is either under the employer's management and control or arises from the employer's conduct; and
 - (d) to make decisions about the adequacy of facilities for the welfare of workers; and
 - (e) in making decisions about procedures to resolve health and safety issues, including (but not limited to):
 - (i) procedures around health and safety consultation itself;
 - (ii) procedures to monitor the health of workers and the conditions of the workplace;
 - (iii) procedures to provide information and training to workers; and
 - (f) by a change to:
 - (i) a workplace; or
 - (ii) the plant, substances, or other things used at a workplace; or
 - (iii) the conduct of work performed at a workplace.

7 Additional Industry Obligations

- (1) An employer in relation to an Additional Obligation Industry Work Premises must:
- (a) increase the regularity of comprehensive cleaning by ensuring all areas where workers are working are **cleaned** at least daily (except for meat, poultry and seafood processing, seasonal horticulture, care facilities, hospitals and ports of entry); and
 - Note: the exception of care facilities, hospitals and/or ports of entry from the requirements in subclause (1)(a) does not exempt care facilities, hospitals and/or ports of entry from satisfying equivalent requirements imposed under other regulatory arrangements.*
 - (b) where the employer's Work Premises is an industry that is listed in the **Surveillance Testing Industry List and Requirements** (as amended from time to time on the advice of the Chief Health Officer):
 - (i) carry out surveillance testing for SARS-CoV-2 on its workers in relation to the Work Premises in accordance with the requirements of the Surveillance Testing Industry List and

Requirements (as amended from time to time on the advice of the Chief Health Officer), including:

- (A) those sections of its workforce required to be tested under the Surveillance Testing Industry List and Requirements;
 - (B) a weekly surveillance testing target of the percentage of workers that are to be tested; and
- (ii) keep records of surveillance testing of workers for SARS-CoV-2, which demonstrate that the employer has complied with its obligations under subclause (b)(i) in relation to the Work Premises; and
 - (iii) provide the records required to be kept by the employer under subclause (b)(ii) to the **Department** upon request by the Department for those records.

Note: the industries and requirements included in the Surveillance Testing Industry List and Requirements may be amended on the advice of the Chief Health Officer.

Additional measures to prevent COVID in abattoirs and meat processing facilities, poultry processing facilities, seafood processing facilities, warehousing and distribution centres, supermarket Work Premises, and perishable food Work Premises that are chilled distribution facilities

- (2) In relation to a Work Premises that is an abattoir, meat processing facility, poultry processing facility, seafood processing facility, warehousing and distribution centres, supermarket Work Premises, or a perishable food Work Premises that is a chilled distribution facility, an employer must:
 - (a) arrange operations at the Work Premises (except in relation to a warehousing and distribution centre Work Premises, supermarket Work Premises and perishable food Work Premises) so as to have workers working consistently with the same group of other workers where reasonably practicable, including (but not limited to):
 - (i) developing separate shifts in a way that minimises physical interactions between groups of workers attending different shifts;
 - (ii) separating workers into work areas;
 - (iii) dividing work areas up further into separate teams;
 - (iv) providing separate break areas for the separate teams;
 - (v) requiring teams to use separate entrances and exits from other teams;
 - (vi) where workers are from the same household, ensuring they work in the same shift and work area; and
 - (b) provide regular training to workers (except in relation to warehousing and distribution centre Work Premises) (including, but not limited to, an induction for all workers commencing at, or returning to, the Work Premises) that covers:

- (i) good hygiene practices; and
- (ii) advising workers not to attend the Work Premises when unwell; and
- (iii) where applicable, compliance with the requirements of subclause (2)(b).

Additional measures to prevent COVID in abattoirs and meat processing facilities, poultry processing facilities and seafood processing facilities

- (3) In relation to a Work Premises that is an **abattoir**, meat processing facility, poultry processing facility or seafood processing facility, an employer must:
- (a) ensure that all workers at the Work Premises wear the appropriate level of **personal protective equipment**:
 - (i) to carry out the functions of the worker's role; and
 - (ii) to mitigate the introduction of SARS-CoV-2 at the Work Premises including (but not limited to):
 - (A) at a minimum, wearing a surgical face mask; and
 - (B) suitable protective clothing which should be changed at the end of each shift and washed appropriately,
 unless it is not reasonably practicable to wear a surgical face mask and/or protective clothing in the Work Premises or the nature of a worker's work means that it creates a risk to their health and safety.

*Note 1: an employer at a Work Premises that is an abattoir, meat processing facility, poultry processing facility or seafood processing facility is required to comply with subclause (3)(a)(ii)(A) unless an exception pursuant to clause 5(16)(e), (g) – (i), (r) – (t), (x) – (aa) of the **Stay at Home Directions (Victoria)** applies in respect of a worker, in which case the employer is exempted from requiring that worker to wear a **face covering**.*

*Note 2: the exception from the requirement to wear a face covering pursuant to clause 5(16)(j) of the **Stay at Home Directions (Victoria)** does not apply to a worker at a Work Premises that is an abattoir, meat processing facility, poultry processing facility or seafood processing facility whilst working at the Work Premises in Victoria.*

Additional measures to prevent COVID in supermarket Work Premises or perishable food Work Premises

- (4) In relation to any supermarket Work Premises or perishable food Work Premises that is a chilled distribution facility in Metropolitan Melbourne, an employer must ensure that all workers at the supermarket Work Premises or perishable food Work Premises wear a surgical face mask, unless the nature of a worker's work means that it creates a risk to their health and safety.

Note 1: surgical face masks may create a risk to health and safety in those parts of a chilled distribution facility where the temperature is below negative five

degrees Celsius. If a surgical face mask cannot be worn, the employer is still required to ensure an employee uses a suitable fitted face covering, such as a cloth mask of three plies.

*Note 2: an employer at a Work Premises that is a supermarket Work Premises or perishable food Work Premises is required to comply with the requirements of subclause (4) unless an exception pursuant to clause 5(16)(e), (g) – (i), (r) – (t), (x) – (aa) of the **Stay at Home Directions (Victoria)** applies in respect of a worker, in which case the employer is exempted from requiring that worker to wear a face covering.*

*Note 3: the exception from the requirement to wear a face covering pursuant to clause 5(16)(j) of the **Stay at Home Directions (Victoria)** does not apply to a worker at a Work Premises that is a supermarket Work Premises or perishable food Work Premises whilst working at the Work Premises in Victoria. Additional measures to prevent COVID in warehousing and distribution centres*

- (5) In relation to a Work Premises that is a chilled facility in relation to warehousing and distribution centres, an employer must ensure that all workers at the Work Premises wear a surgical face mask, unless the nature of a worker's work means that it creates a risk to their health and safety.

Note 1: surgical face masks may create a risk to health and safety in those parts of a chilled distribution facility where the temperature is below negative five degrees Celsius. If a surgical face mask cannot be worn, the employer is still required to ensure an employee uses a suitable fitted face covering, such as a cloth mask of three plies.

*Note 2: an employer at a Work Premises that is a chilled distribution facility in relation to warehousing and distribution centres is required to comply with the requirements of subclause (5) unless an exception pursuant to clause 5(16)(e), (g) – (i), (r) – (t), (x) – (aa) of the **Stay at Home Directions (Victoria)** applies in respect of a worker, in which case the employer is exempted from requiring that worker to wear a face covering.*

*Note 3: the exception from the requirement to wear a face covering pursuant to clause 5(16)(j) of the **Stay at Home Directions (Victoria)** does not apply to a worker at a Work Premises that is a chilled distribution facility in relation to warehousing and distribution centres whilst working at the Work Premises in Victoria.*

Horticulture Work Premises using seasonal workers for seasonal horticultural work

- (6) An employer may only operate a **seasonal Work Premises** using seasonal workers for seasonal horticultural work if it complies with subclauses (7) to (10) (inclusive).
- (7) The employer must arrange operations at the Work Premises so as to have seasonal workers working consistently with the same group of other seasonal workers where reasonably practicable, including (but not limited to):
- (a) developing separate shifts in a way that minimises physical interactions between groups of seasonal workers attending different shifts;

- (b) separating seasonal workers into work areas;
- (c) dividing work areas up further into separate teams;
- (d) providing suitable separate break areas for the separate teams including, to the extent possible, outdoor break areas with shade;
- (e) where seasonal workers are from the same household, ensuring they work in the same shift and work area.

Note: to the extent it is reasonably practicable, there should be no mixing of the worker 'bubbles' on site. Seasonal workers within a bubble should work and take breaks together. In addition, worker bubbles should, to the extent that is reasonably practicable, be maintained with respect to accommodation and transport.

- (8) The employer must record on a daily basis the roster of seasonal workers, including the work areas, work teams and breaks taken for each worker bubble.
- (9) The employer must provide training to seasonal workers (including, but not limited to, an induction for all workers commencing at, or returning to, the Work Premises) that covers:
 - (a) good hygiene practices; and
 - (b) advising seasonal workers not to attend the Work Premises when unwell; and
 - (c) compliance with the requirements of subclause (7).
- (10) The employer must provide:
 - (a) clean water and soap for washing hands; and
 - (b) well-maintained toilet facilities,

for seasonal workers, in a location or locations that are reasonably adjacent to work areas and, as far as is practicable, separate from the employer's **premises** or farm homestead.

Care facilities

- (11) Subject to subclause (12), an employer in relation to a Work Premises that is a care facility in Victoria must not require or permit a **care facility worker** to perform work at more than one Work Premises of the employer.
- (12) Subclause (11) does not apply where it is not practicable to limit a care facility worker to only one Work Premises.
- (13) Where subclause (12) applies, the employer must be able to demonstrate the systems of work which it has put in place to minimise the number of care facility workers working across multiple Work Premises.

Example: rosters.
- (14) An employer in relation to a Work Premises that is a care facility in Victoria must require care facility workers in relation to a care facility to wear a face covering while working in:
 - (a) any indoor space at the care facility; or

- (b) any outdoor space at the care facility where it is not possible for the worker to maintain a distance of 1.5 metres from all other persons at all times,

unless an exception pursuant to clause 5(16)(e), (g) – (i), (r) – (t), (x) – (aa) of the **Stay at Home Directions (Victoria)** applies in respect of a care facility worker in relation to a care facility, then the employer is exempted from requiring that care facility worker to wear a face covering.

Example: where a care facility worker is communicating with a resident who is hard of hearing or deaf and visibility of the mouth is essential for communication, that care facility worker may remove their face covering whilst communicating with the resident.

*Note 1: the exception from the requirement to wear a face covering pursuant to clauses 5(16)(j) of the **Stay at Home Directions (Victoria)** does not apply to care facility workers whilst working in a care facility in Victoria.*

Note 2: it is strongly recommended that face coverings be worn in other situations when physical distancing is not possible.

- (15) If a care facility worker is working at more than one Work Premises for two or more different employers:
 - (a) the care facility worker must provide a written declaration to each employer to advise them that the worker is working at more than one Work Premises and must provide details of the other Work Premises to each employer; and
 - (b) each employer must maintain a record of all care facility workers who have disclosed to the employer under subclause (15)(a) that they are working across more than one Work Premises.
- (16) An employer in relation to a Work Premises that is a care facility in Victoria must require care facility workers in relation to the care facility to declare in writing at the start of each shift that the worker:
 - (a) is free of **SARS-CoV-2 Symptoms**; and
 - Note: for the purposes of these directions, SARS-CoV-2 Symptoms, including but not limited to acute respiratory infection (such as cough, shortness of breath, sore throat); loss of smell; and loss of taste do not include those symptoms where caused by an underlying health condition or medication.*
 - (b) has, in the preceding 14 days, not been in contact with a **confirmed case** (except in the course of their duties while wearing appropriate personal protective equipment); and
 - (c) is not currently required to **self-isolate** or **self-quarantine** under the **Diagnosed Persons and Close Contacts Directions**.
- (17) Despite clause 6(1)(b) of the **Care Facilities Directions**, an employer in relation to a Work Premises that is a care facility in Victoria must not permit an employee or contractor to enter the care facility where:

- (a) the employee or contractor has, on or after 4 October 2020, worked at another care facility; and
- (b) at the time the employee or contractor worked at that other care facility, a confirmed case was present at that other facility,

unless:

- (c) at least 28 days have elapsed since the last time the employee or contractor worked at that other facility while a confirmed case was present; or
- (d) at least 14 days have elapsed since the last time the employee or contractor worked at that other facility while a confirmed case was present; and
- (e) the employee or contractor:
 - (i) has undertaken a test for SARS-CoV-2 on or after 13 days from the day that the employee or contractor last worked at that other facility while a confirmed case was present; and
 - (ii) received confirmation that the results of the test undertaken pursuant to (i) were negative; and
- (f) the employee or contractor has provided evidence of the negative test result pursuant to subclause (e) to the employer prior to commencing work at that care facility.

Note 1: providing the employer with hardcopy or electronic notification confirming the negative test result from a testing provider is sufficient evidence.

*Note 2: the effect of subclause (17) is that, in the event of an **outbreak** of SARS-CoV-2 at a care facility, an employee or contractor present during the outbreak must only work at that facility, and cannot be permitted to work at other care facilities. Such employees or contractors must wait a minimum period of 14 days from when they last worked a shift while a confirmed case was present at the facility and test negative for SARS-CoV-2, before moving from that care facility to commence work at another care facility. No test is required if it has been 28 days or more since the employee or contractor last worked a shift while a confirmed case was present at the facility.*

- (18) An employer in relation to a Work Premises that is a care facility in Victoria must comply with **personal protective equipment** requirements in accordance with the requirements of the Department.
- (19) The Chief Health Officer may grant an exemption in writing to the requirements of subclause (17).

Note: an exemption may only be granted where it is necessary to ensure that residents are provided with a reasonable standard of care.

Ports of entry

- (20) Subject to subclause (21), a **port of entry worker** means:

- (a) any **airport** or maritime **port** worker who has direct contact (including occasional contact or interactions) with international passengers or crew (excluding international passengers and crew entering Victoria from a **Green Zone Country**), at the international **port of entry**; or
- (b) a worker or person who interacts with the environment within the international port of entry (including any worker or person who boards a vessel, ship or **aircraft**) where international passengers and crew (excluding international passengers and crew entering Victoria from a Green Zone Country) are or have been.

Note: interacting with the 'environment' within the international port of entry refers to handling items and/or using or being in communal facilities (such as toilets, waiting areas and seating) that have been used by or are being used by international passengers and crew (excluding international passengers and crew entering Victoria from a Green Zone Country). It also refers to boarding or entering a vessel, ship or aircraft where international passengers and crew (excluding international passengers and crew entering Victoria from a Green Zone Country) are or have been.

- (21) Despite subclause (20), a port of entry worker does not include any worker who works in an international departures area of an airport.
- (22) In relation to a Work Premises that is a port of entry Work Premises servicing international arrivals, an employer must:

Note: a Work Premises which is a port of entry servicing international arrivals is a port or airport at which port of entry workers provide services in relation to, or encounter, passengers, crew members, shipping vessels or aircraft arriving in Victoria from outside of Australia, subject to the definition of 'port of entry workers' above.

- (a) require port of entry workers to declare in writing at the start of each shift that the port of entry worker:
 - (i) is free of SARS-CoV-2 Symptoms; and
 - (ii) has, in the preceding 14 days, not been in contact with a confirmed case (except in the course of their duties while wearing appropriate personal protective equipment, where relevant); and
 - (iii) is not currently required to self-isolate or self-quarantine under the **Diagnosed Persons and Close Contacts Directions**; and
- (b) designate a port of entry worker(s) as a COVID Marshal:
 - (i) whose role is to monitor compliance with these directions, including (but not limited to) physical distancing requirements; and
 - (ii) who has successfully completed training provided by the employer that is in accordance with guidance from the Department; and
 - (iii) who is at the Work Premises whenever port of entry workers are on site; and

- (c) arrange operations at the Work Premises so as to have port of entry workers working consistently with the same group of other port of entry workers where reasonably practicable, including (but not limited to):
 - (i) developing separate shifts in a way that minimises physical interactions between groups of port of entry workers attending different shifts;
 - (ii) separates port of entry workers into work areas;
 - (iii) dividing work areas up further into separate teams;
 - (iv) providing separate break areas for the separate teams;
 - (v) requiring teams to use separate entrances and exits from other teams;
 - (vi) where port of entry workers are from the same household, ensuring they work in the same shift and work area; and
 - (d) provide regular training to port of entry workers (including, but not limited to, an induction for all port of entry workers commencing at, or returning to, the Work Premises) that covers:
 - (i) good hygiene practices; and
 - (ii) advising port of entry workers not to attend the Work Premises when unwell; and
 - (iii) compliance with the requirements of subclause (22)(c); and
 - (e) make available an adequate supply of personal protective equipment free of charge to port of entry workers; and
 - (f) ensure that all port of entry workers wear appropriate personal protective equipment in accordance with the requirements of the Department; and
 - (g) test the temperature of each port of entry worker each day before they enter the Work Premises and, if the port of entry worker's temperature is 37.5°C or more, direct the port of entry worker to:
 - (i) leave the Work Premises immediately; and
 - (ii) be tested for SARS-CoV-2; and
 - (iii) self-isolate until a negative test result is received.
- (23) Subclauses (22)(b) and (22)(c) do not apply to the following port of entry workers:
- (a) administrative support service workers;
 - (b) truck drivers;
 - (c) tugboat crew;
 - (d) stevedores;
 - (e) office workers at freight terminals;
 - (f) airport baggage handlers and airport cargo handlers;

- (g) aircraft engineers.

Note: airport baggage handlers, airport cargo handlers and aircraft engineers should minimise interactions with other port of entry workers.

Hotel quarantine

- (24) Any worker in relation to a hotel quarantine Work Premises should provide the Department with the following details:
 - (a) of the worker:
 - (i) the worker's name, contact number and address; and
 - (b) of any person with whom they ordinarily reside:
 - (i) the person's first name;
 - (ii) a contact phone number;
 - (iii) the person's workplace(s), including address;
 - (iv) if the person attends school, the name and address of the school.
- (25) In relation to a Work Premises that is a hotel quarantine Work Premises, an employer must:
 - (a) require workers to declare in writing at the start of each shift that the worker:
 - (i) is free of SARS-CoV-2 Symptoms; and
 - (ii) has, in the preceding 14 days, not been in contact with a confirmed case (except in the course of their duties while wearing appropriate personal protective equipment, where relevant); and
 - (iii) is not currently required to self-isolate or self-quarantine under the **Diagnosed Persons and Close Contacts Directions**; and
 - (b) designate an employee or employees as a COVID Marshal:
 - (i) whose role is to monitor compliance with these directions, including (but not limited to) physical distancing requirements; and
 - (ii) who has successfully completed training provided by the employer that is in accordance with guidance from the Department; and
 - (iii) who is at the Work Premises whenever workers are on site; and
 - (c) arrange operations at the Work Premises so as to have workers working consistently with the same group of other workers where reasonably practicable, including (but not limited to):
 - (i) developing separate shifts in a way that minimises physical interactions between groups of workers attending different shifts;
 - (ii) separating workers into work areas;
 - (iii) dividing work areas up further into separate teams;

- (iv) providing separate break areas for the separate teams;
 - (v) requiring teams to use separate entrances and exits from other teams;
 - (vi) where workers are from the same household, ensuring they work in the same shift and work area; and
- (d) make available an adequate supply of personal protective equipment free of charge to workers; and
- (e) ensure that all workers wear appropriate personal protective equipment in accordance with the requirements of the Department; and
- (f) test the temperature of each worker each day before they enter the Work Premises and, if the worker's temperature is 37.5°C or more, direct the worker to:
- (i) leave the Work Premises immediately; and
 - (ii) be tested for SARS-CoV-2; and
 - (iii) self-isolate until a negative test result is received; and
- (g) provide regular training to workers (including, but not limited to, an induction for all workers commencing at, or returning to, the Work Premises) that covers:
- (i) good hygiene practices; and
 - (ii) advising workers not to attend the Work Premises when unwell; and
 - (iii) compliance with the requirements of subclause (25)(c).
- (26) Subject to subclause (27), an employer in relation to a hotel quarantine Work Premises must not require or permit a worker to perform work at more than one hotel quarantine Work Premises of the employer.
- (27) Subclause (26) does not apply where it is not practicable to limit a worker to only one hotel quarantine Work Premises.
- (28) Where subclause (27) applies, the employer must be able to demonstrate the systems of work which it has put in place to minimise the number of workers working across multiple Work Premises.
- Example: rosters.*
- (29) If a worker is working at more than one Work Premises for two or more different employers:
- (a) the worker must provide a written declaration to each employer to advise them that the worker is working at more than one Work Premises and must provide details of the other Work Premises to each employer; and
 - (b) each employer must maintain a record of all workers who have disclosed to the employer under subclause (29)(a) that they are working across more than one Work Premises.

Hospitals

- (30) In relation to a Work Premises that is a hospital, an employer must require workers to declare in writing at the start of each shift that the worker:
- (a) is free of SARS-CoV-2 Symptoms; and
 - (b) has, in the preceding 14 days, not been in contact with a confirmed case (except in the course of their duties while wearing appropriate personal protective equipment, where relevant); and
 - (c) is not currently required to self-isolate or self-quarantine under the **Diagnosed Persons and Close Contacts Directions**.
- (31) In relation to those parts of a hospital that are a high-risk hospital Work Premises, an employer must:
- (a) designate a **high-risk hospital Work Premises worker** as a COVID Marshal:
 - (i) whose role is to monitor compliance with these directions, including (but not limited to) physical distancing requirements; and
 - (ii) who has successfully completed training provided by the employer that is in accordance with guidance from the Department; and
 - (iii) who is at the Work Premises whenever workers are on site; and
 - (b) arrange operations at the Work Premises so as to have high-risk hospital Work Premises workers working consistently with the same group of other high-risk hospital Work Premises workers where reasonably practicable, including (but not limited to):
 - (i) developing separate shifts in a way that minimises physical interactions between groups of high-risk hospital Work Premises workers attending different shifts;
 - (ii) separating high-risk hospital Work Premises workers into work areas;
 - (iii) dividing work areas up further into separate teams;
 - (iv) providing separate break areas for the separate teams;
 - (v) requiring teams to use separate entrances and exits from other teams;
 - (vi) where high-risk hospital Work Premises workers are from the same household, ensuring they work in the same shift and work area.
- (32) Subject to subclause (33), an employer in relation to a high-risk hospital Work Premises must not require or permit a high-risk hospital Work Premises worker to perform work at more than one Work Premises of the employer.
- (33) Subclause (32) does not apply where it is not practicable to limit a high-risk hospital Work Premises worker to only one Work Premises.

- (34) Where subclause (33) applies, the employer must be able to demonstrate the systems of work which it has put in place to minimise the number of high-risk hospital Work Premises workers working across multiple Work Premises.

Example: rosters.

- (35) If a high-risk hospital Work Premises worker working in a high-risk hospital Work Premises is working at more than one Work Premises for two or more different employers:

- (a) the high-risk hospital Work Premises worker must provide a written declaration to each employer to advise them that the high-risk hospital Work Premises worker is working at more than one Work Premises and must provide details of the other Work Premises to each employer; and
- (b) each employer must maintain a record of all high-risk hospital Work Premises workers who have disclosed to the employer under subclause (35)(a) that they are working across more than one Work Premises.

- (36) In relation to a Work Premises that is a hospital, an employer must require workers to declare in writing at the start of each shift:

- (a) whether the worker has completed a shift or shifts at another hospital in a high-risk hospital Work Premises in the 14 days prior to making the declaration; and
- (b) if the worker declares that they have completed a shift or shifts at another hospital in a high-risk hospital Work Premises in the 14 days prior to making the declaration:
 - (i) the name of the relevant hospital; and
 - (ii) whether a shift, or any shifts, declared under subclause (a) were on the roster of a **COVID streaming area**; and

Note: a shift on the roster of a COVID streaming area includes a shift where the worker is primarily assigned to caring for COVID positive patients in a negative pressure room (for example, a nurse allocated to care for COVID positive patients in a negative pressure room). A shift on the roster of a COVID streaming area also includes staff who were rostered on to work and worked in the COVID streaming area and staff who were not originally rostered but worked in the area to cover a gap in the roster.

- (iii) if the answer to subclause (b)(ii) is yes:
 - (A) at least 72 hours has elapsed since the worker finished the last shift declared in subclause (b)(ii); and
 - (B) the worker has received a negative SARS-CoV-2 test in the 48 hours prior to making the declaration.

- (37) An employer in relation to a Work Premises that is a hospital in Victoria must not permit a worker to enter the hospital where:

- (a) the worker has worked a shift on the roster of a COVID streaming area at another hospital in the 14 days prior to making the declaration referred to in subclause (36),

unless:

- (b) 72 hours has elapsed since the worker finished their last shift in a COVID streaming area; and
- (c) the worker has received confirmation of a negative SARS-CoV-2 test result in the 48 hours prior to making the declaration in subclause (36); and
